PROFILE OR OBJECTIVE

Through the classes that I have taken over the past couple years I have learned to much about photography and design and I have learned to really love it and have learned to make goals and how to follow through with them in my life.

QUALIFICATIONS

- I'm doing an AA in Multi-Media program at Peninsula College
- I have experience in Adobe Photoshop, Illustrator, Premiere, InDesign, and Aftereffects
- I am supportive and encouraging and work well in team settings. I will always do my part in whatever we are doing.

EDUCATION AND TRAINING

Peninsula College	Port Angeles, WA.	04-26-2018
AA Degree in Multimedia Communications		

PROFESSIONAL AND VOLUNTEER EXPERIENCE

Date 1-19-2007	Sun Ray Court Spokane, WA.
----------------	----------------------------

Night Staff

- Doing intakes and supervision writing and filling out log books.
- Writing in log book and doing head counts, coping machine.

PERSONAL PURSUITS, INTERESTS, AFFILIATIONS, AND AWARDS

My interests are doing photography in multi-media and in graphic design. I'm very energetic and just love being outdoors fishing, boating, camping, and bird watching. I love traveling to the ocean enjoying the sun on my face.
